

# Northern Territory Community Legal Education Workshop 2025

## About the Workshop:

The NT CLE Workshop provides training for legal and non-legal service providers who engage with communities and/or deliver community legal education, and for those wanting to increase their skills in effective engagement and education strategies for diverse communities.

## Workshop content:

- Remote Engagement and cultural safety
- Preparing and Delivering CLE
- Engaging with young people and vulnerable audiences
- Criminal law, young people and recent changes to DV law
- Blurred Borders resource showcase
- Legal Health Check
- Social media skills and video content
- AI and preparing CLE materials
- Local project showcases
- Networking opportunities and resource sharing
